

THE  
**DIGITAL LEARNING**  
EXCELLENCE AWARDS | 2022

APPLICATION PROCESS

LEARNTech Asia seeks to recognize academic and corporate trailblazers for their outstanding contributions to the digital learning landscape, specifically for workforce preparation and management, with our Digital Learning Excellence Awards.

- i. Choose the correct application form - individual, corporate organization, or academic institution.
- ii. Do write in paragraph form and check spelling. Write using the third person and do not use “we, our, us” etcetera.
- iii. Do include actual testimonies from your learners and actual examples of how your learning solution is being used and its overall impact. However, avoid “marketing” language.
- iv. Do provide screen captures, images, charts, and graphs where appropriate and within the context of your responses.
- v. If applicable, do provide supporting documents such as reports, videos, and/or links to courses. Please provide the right access information to courses to ensure that the judging panel can access the relevant websites.
- vi. If you are entering in more than one category, please make sure that you fill in the correct application forms and payment for each entry.
